

Founder Name is Chander Shekhar. Managing partner run by Nishi. This is interior landscape company. We provide more collection of indoor, bonsai tray and terrium plants on rental bases.

Laxmi plants, established in 2011 in Delhi, is a leader in designing, installing, and maintaining beautiful and calming plant environments.

We offer striking plant displays for offices and all commercial areas designed to suit the space and light available. Our dedicated team of designers, horticulturists, and gardeners can breathe new life into your workplace. A complete range of design and plant services for interior business environments. Our team of professionals is passionate about the integrity and quality of their work. From the design concept to installation and ongoing maintenance we handle customer requests for any size business. We have been fortunate to get associated with top companies of the world like amazon, Indigo, Panasonic, Macquarie etc. just to name of few among our 80+ prestigious client in India. We have not only provided our Greenery Products & Solutions to them; but we have been maintaining their workspace greenery intact for many years now. Laxmi plants is a team of young and dynamic professionals from various walks of life and a strong team of skilled gardeners. We pride ourselves in innovative and excellent service to ensure that the green spaces always look as good as the day they were installed. We provide regular rotation of plants, variety of plants, guidance on the suitability of spaces, at no additional cost. We are looking forward to get associated with valued partners like Customers, Employees, Suppliers and Channel Partners who believe in our vision of creating world class greenery in workplaces with tremendous passion, imagination and love towards Nature. Our gardeners are capable of working with cleanliness and orderliness.

We boast of a beautiful nursery with an extensive collection. Our understanding of Workspace Plantscaping is unmatched in the industry; and our products & solutions blend in the workspace as an integral part of the Interior Design. And we have a vision to grow this business further in the future and we are trying to move this business forward with full hard work, dedication and effort. **Owner chander shekhar and co-founder Nishi**

brings her immense love for plants and design aesthetics to Laxmi plants.
